June Meeting –

A meeting place for the June meeting is still being sought. If we do meet, please bring your own food and drink.

Cyndi McChesney and I are continuing to work together about the program/workshop that she was scheduled to present in June. The workshop is titled Adding More Color to Your Quilts and Getting Out of Your Color Routine. The five hour workshop explores the psychology of color learning how to determine what color you are really working with, expanding knowledge of the color wheel far beyond the basics, and more with hands-on practical exercises. In November when I attended the Ricky Timms week-end, I was introduced to the color wheel they are using and found it helpful. If you are interested in attending, when and if it can be arranged, please e-mail me at glenn_pat@me.com. Those of you who have already responded do not need to do so again.

Uncertainty continues to reign, but we are making some progress.

Take care and be well,

Pat

2020 Quilt Show *that was not to be* – Update

Well, you've heard the news by now. The 2020 quilt show has been rescheduled for September 17-19, 2021 As I'm sure you know, this decision wasn't taken lightly, and many different ways of having the show were discussed. We couldn't come up with a plan that would do our wonderful quilt show the justice it deserves. Not only do we have the Virus to contend with, the Community Center work being done in the front would preclude our having the Café the way we've always done.

I was honored to be asked to Chair this show, but 'twas not to be. Thank you committee members for agreeing to be a part of the 2020 show, and I hope you'll consider staying involved when the 2021 Chair asks. I would especially like to recognize and thank the following committee members:

- Carolyn Flood was very helpful getting things started, and proved to be a great sounding board for ideas. It was really great having an Assistant Show Director.
- Vi Koch did an outstanding job of promoting the show and the advertising materials are fabulous. She has been able to pull a lot of the print ads and we can easily correct the materials that have already been printed. Thank you, Leonard, who was set to print the tickets, but that can wait.
- Beth Kendall has had some great ideas for the Treasure Trove, and met with others several times to begin making things. If you have made items at home, bring them this summer so we will know what we have and what still needs to be made.
- Beth Kendall and Penny Snyder made the beautiful raffle quilt. It was just a little over a year ago when I saw Beth at Quilt Festival selecting fabrics, and it is already made and was superbly quilted by Penny.
- Donna Skvarla appraised the quilt….it is absolutely beautiful! Thank you Carolyn Flood for taking it to Oklahoma to be appraised. Donna took it to Irene Garrett who brought it back to South Fork. We should all be able to see it this summer.
- Karen Ferguson talked with Chuck Fairchild, who agreed to once again do the delicious cooking for our café. Hopefully his arm can be twisted again next year.
- Janis Torres, as usual, kept track of our show expenses and kept the expenses in line. Since she has served in that role for four years, she has to relinquish to the next show treasurer (CO rules).
- Kris Steed had some great vendors lined up, and kept them up to date as we were trying to make our final decision. Hopefully they will agree to come in 2021.
- Linda Woods has been diligent about telling the members about the denim shirts. Since they don't have any date on them, we will be able to wear them any year.
- Audrey Schwery has plans underway for the vintage quilt display, which can be revisited for 2021.
- Lastly, a big thank you to Pat and the Executive Board for the way we all worked together to make this decision. Since Carolyn and Vi had helped with so much of the pre-planning they were also included in the meetings. Thank goodness for Zoom…..it gave us the opportunity to openly discuss our plans.

I'm not sure what everyone's plans are this summer in the mountains. Stay well and safe traveling if you are coming. At this time, Bob and I are planning to come mid-June. Hope to see you this summer.

Hugs from a distance,
Sheralyn

Masks Still Needed

Anne Strong has been talking to Public Health and they are hoping to have 1000 face masks in reserve by fall. They are looking for people to sew and donate masks.

If you need a pattern for masks, you can go to the following website: https://about.kaiserpermanente.org/content/dam/internet/kp/comms/import/uploads/2020/03/02_COVID_Mask-Instructions_v9.pdf

You may drop masks off at the Public Health side of the clinic when you have them made. Anne has made about 100 masks. It is WAY easier if you make them in batches. If anyone wants to make masks for kids, the width can be reduced from 7.5 inches to 6 inches.

If you have questions about masks, please contact Anne Strong.
